Many, many winters ago, a lively group of Albuquerque ski enthusiasts had been enjoying informal gatherings. It was decided that the group should formalize their status and expand their numbers so that they could have more activities. As a result, the Sitzmarkers Ski Club received its formal charter from the State of New Mexico in March of 1966. We wish we knew how many charter members there were at that time ... perhaps, Ken Allen will remember. Thus began a 50-year period of ski trips, social events, water ski weekends, golf tournaments, tennis tournaments, four-wheel drive trips, friendships, marriages (estimates are 40+) and a lot more entertaining times.

The Sitzmarkers Board thinks that this is an occasion for a really great celebration. Very few clubs have such an unbroken record of providing ski trips and entertainment. We are hoping that many of our past members will join

with the current members to properly celebrate the occasion. We are trying to contact as many past Sitzmarkers as possible and we would appreciate your helping to spread the word.

The plans are to gather at the Canyon Club on April 30 and enjoy a large selection of heavy hors d'oeuvres. The nearby cash bar can provide any beverage that you want. There will be displays of DER SITZMARKER Newsletters and photos going back over 40 years. We will provide blank display boards for photos that we are encouraging you to bring that night to add to the memories.

At 8 pm, Paul Pino and the Tone Daddies will begin playing. The band is enjoyable to both dance to and to listen to. They played for the historic Tijeras Hoedown 3 1/2 years ago and were a big success. The Rio Grande Room is large enough to accommodate dancers, listeners and those who enjoy reminiscing with old friends. We really hope you will join us. The 20th, 30th, 40th and 45th Anniversary Parties were all very large and memorable events. This celebration should be at least as good.

The Sitzmarkers Ski Club treasury is providing a lot of financial support for the event. We ask that you contribute \$15 so that we can provide very attractive food and the live band for the occasion.

It would be a big help to the 50th Anniversary Party Committee if you could let us know that you are attending. This is not mandatory. It would also be of great help if you could inform other members from the past about the party or provide us with their contact information.
